Bolt pattern 6x135

What cars have a 6x135 bolt pattern?

The 6x135 Bolt Pattern or Pitch Circle Diameter (PCD) is made up of the stud count (6) and the bolt circle measurement (135), the notional circle determined by the center position of the studs.

The 6x135 bolt pattern is common to Ford and Lincoln vehicles. A full list of vehicle makes and models appear below:

FORD

LINCOLN
